

## Therapy pigs at Arc Greenspace on Tuesday

The Arc of Crawford County will host its third Lunchtime Lift on Tuesday.

The event at The Arc Community Greenspace, 967 Market St., Meadville, will feature the Tree Family Therapy Pigs and start at 12:30 p.m.

Organizers said this interactive, hands-on experience is perfect for guests of all ages. Those attending can pet, feed, take photos, watch the pigs perform tricks, try the kissing booth and even cuddle a piglet.

If you are interested in proposing an event for the fall or 2026 season, contact Amara Geffen at [ageffen@allegheny.edu](mailto:ageffen@allegheny.edu)
